Experience

Interface Design Consultant

Music Choice | New York, N.Y. | 3/2009 – 2/2010

Designed entire web page layouts as well as modular pieces for their new web products.
Created screen designs for their mobile device applications.
Provided all of the illustrations for the extended activities applications on the swrv.tv.

Web Designer

Teacher's College, Columbia University | New York, N.Y. | 3/2008 – 5/2009

Collaborated with 2 doctoral candidates from the Arts and Arts Education department to develop a website featuring highlights from their 2007 Community Arts Conference.
Responsible for the design and development of the website from mockup to implementation.

Web Designer

Aplus.net | New York, N.Y. | 1/2009 – 5/2009

Designed 50 website homepage templates incorporating various industries from beauty salons and fashion boutiques to pet stores and medical offices.

Web/Graphic Designer

Kuma Games LLC | New York, N.Y. | 3/2008 – 3/2009

Re-designed the Kuma Games game client from concept into a functioning game client.
Involved in proposal writing processes, creating mock-ups, hand coding HTML and CSS.
Responsible for front-end development of the website, game client, and promotional projects.
Responsible for printed design ranging from proposal documents to vinyl window graphics.

Web/UI Designer

The Pere Partnership | New York, N.Y. | 10/2007 – 3/2008

Designed website from concept to fully functioning site launch.
Responsible for front-end development of the site Colledgeclick.com including coding HTML, CSS, and Simple AJAX and manipulating HTML within PHP code.
Customized CSS coding to make Colledgeclick.com cross-browser compatible.

Web Designer

TSV Group – Weblmage | White Plains, N.Y. | 11/2006 – 10/2007

Detailed websites to customer specifications including image optimization, layout manipulation, typography and slide show animation, and utilization of CSS style sheets.
Provided updates for 15 - 20 clients daily following the strict deadline of the 5-day update system.

Web Designer/Program Assistant

Project-Set | Brooklyn, N.Y. | 7/2006 – 9/2006

Designed and developed projectset.org from concept to launch.
Assisted in the execution of weekly media literacy lessons for 16 Brooklyn high school students that developed public service announcements as the coursework for Project SET.

Administrative Assistant/3D modeler

Michael Geyer Architect | New York, N.Y. | 6/2005 - 9/2006

Generated basic 3d models of architectural facades and interiors.
Maintained the filing and catalog systems.
Performed light book keeping of financial documents by maintaining expenses and receivables spreadsheet.
